July 2014

Dear Brothers and Sisters in Christ,

What you see here are the Indonesian graduates defending their thesis before the staff of Batam Bible Collge. They will graduate on July 28, 2014. Sister Florlandya had to leave early so she was the first one to defend her thesis and did an excellent job. She will be joining the staff of Batam Bible College to begin a women’s teaching program in the near future.

They were judged by Dr. Dj Pasaribu, Dr. Winston Bolt and Herbin Simanjuntak M.Th.

We judged eight theses, four in the morning and four in the afternoon. They did a good job over all. We are looking forward to their serving the church in Nias, Java, Kalimantan (Borneo) and Batam. They have earned an S1 degree, the equalivnt to a Bachelors degree in America.

BATAM BIBLE COLLEGE INDONESIA TEACHING STAFF 2014

We started a degree subsity program last year for the staff to acquire a Masters degree. We paid 50% of the cost and they furnished the rest. This year four of our instructors will receive their Masters Degree in the months of August and September. It cost the school a total of \$5,800.00 and next year two more instructors begin their degree programs.
