JULY 2015

Dear Brothers and Sisters in Christ,

The Lord has been blessing our work quite tremendously in new church plantings and the growth of the churches across the country and in the growth of Batam Bible College.

This year we graduated seven students from the islands of Nias, Java, and Kalimantan. They are returning next year for their Bachelors degree along with four former students.

This year we incurred extra ordinary expenses in repairing the building and replacing three air conditioners and the electrical system. We also had a large expense for our degree subsidy program which is essential for the college to maintain it's accreditation. Four full-time instructors are studying for their Masters and one in a Ph.D. program.

This along with a fall in the contributions it has resulted in a short fall of funds for the rest of the year. We really need your help at this time so that we may continue the work of the college and mission program.

Funds needed for the College from Sept.- Dec. \$19,201

Funds needed for the missions from Sept.– Dec. \$9,312

Please send your contributions to:

Mission Indonesia

I just received news of the mission work on the island of Java. The Solo congregation has just planted a new congregation about 10 kilometers away from their location. This along with the newly planted congregation north of them in Salatiga makes two new church plants this year.

New churches in Solo, Java 7/14/ 15 and In Salatiga, Java 1/20/15

In Sanggrahan Village Baptized 13. We need your help to keep doing the will of God in calling the lost to Jesus.
