

# Australia Missions Interest

(Ephesians 3:20-21)

Imagine a Ministry opportunity with regional potential to reach over 40% of the world's population.

A Nation that stands to serve as a springboard to key Moslem nations, China, South East Asia and Oceania

Now Imagine ...

A Partnership in which you help make that ministry take place.

We are seeking Partners to help us reinvigorate the only school of Preaching in Australia (Macquarie School of Biblical Studies) in Sydney, Australia. The goal is simple: Train Australians to Preach to Australians and the region. Your support is essential for this Ministry to take place.

Please fill out this pledge card. Pray for our efforts and the effects on such a key area. I hope you'll join the Team!
