PREACHING THE WORD

During the months of February and March, the Chilean men in the Discipleship groups have been preaching. The topics have been based on the Discipleship studies they have been going through over the last few months. Each man took a lesson and developed a sermon with the help of a missionary. The week before they were to preach they had a trial run by preaching to the men during the week. It was a good experience that allowed them to get some positive feedback and make adjustments before Sunday. Some of the
