

## SENIOR ADVENTURES IN MINISTRY NEWS, August 2010

Our gal Ellen Kirk is immersed in the work in Mexico even though her Spanish is not entirely fluent. But she loves the people and they love her. She is delighted that one of the women is much shorter than she is. There are daily visits, classes & activities. There have been some baptisms.

Betty Underwood spent some time with her daughter in Dundee, Scotland, but her visit was cut short because of Betty's health and business needs. She had hoped to do some work with the AIM team in East Kilbride. Maybe later.

SAIM class is an elective in the two year program. The topic this term is Contemporary Questions. Next semester, October 18<sup>th</sup> - December 17<sup>th</sup> we will enjoy a study of Matthew using a literary approach. The new year begins with an in depth study of the spirit realm.

We are saddened that the assistant director of SAIM, Don Perry, has left our presence on this earth. His memorial service was held on Sunday, August 29<sup>th</sup>, at Sunset church of Christ. What a model for us in courage, persistence and wisdom he and Rilda, his wife, have been. Don has provided for continuing feeding

for the church in Kosice, Slovakia, where their mission hearts are planted. They have requested that memorial gifts be sent to Sunset International Bible Institute, specified to the Senior AIM ministry

SAIM came into being, not as an original idea, but as a ministry whose "time" had come. In the 1990's an economic "downsize" had resulted in many people's retiring from secular employment earlier than they had planned. Those with negligible health problems, minimal extended family commitments and sufficient monetary funds could be available for short, mid or long term ministry either in the USA or abroad.

We still need your help in fulfilling the requests which we receive for assistance.. Let us get to know you, commit to preparation and help light the candle in some place in your world. Stuart & Cecilia Jones
