Dear family.

This is our last report before we will visit you in person. We are always looking forward to our visit every three years to the states. We wish we could see more of you but are limited because of the time.

We have been very busy these last three months. Sunday morning and evening Bible class, Wednesday Bible class, Friday night special class on evangelization which lasts for one and a half hour, preaching and Bible study with contacts, correcting Bible correspondence courses on the internet and also slow mail, working on Bible tracts, visiting members, and contacts.

So far this year we were blessed by two baptisms, the first one is Serge HoueHoue from Benin ,Africa. He is 49 years old and came to France at age 10, raised a Catholic, than once in France with his family began to get involved with many Evangelical and Pentecostal groups, but by studying for himself the Bible he concluded that he was not a child of God and that he needed to be baptized into Christ for the remission of his sins. Since he did not know about the Lord's Church , it is through his mother who retired back in Benin that she met a member of the lord's Church that know me , gave him our address so he came and we studied together and on March 28th I baptized him. The second baptism is Cecilia Fulbert 30 years old and a jurist. At first she took a Bible correspondence course and we had several Bible studies together. She knew what she needed to do to be a child of God , but she wanted to be baptized on the same day she was born May 26th it was a rejoicing moment and the angels in heaven are rejoicing.

Roberto Masquera, whom I mentioned on my previous report , since his visit to Paris he has left the Pentecostal group and continuing to study with brother Steven Mendez from Caen and I am continuing to sending him Spanish material that I can get from the brotherhood. He knows that he needs to be baptized for the remission of his sins, brother Steven he is planning on going to Mallorca Island to baptize him.

Kashmir Singh from India lives in Bagnolet, a suburb of Paris. He came to our door Saturday. He has been following a course from the World Bible School from a congregation in Arkansas after talking he told me that he is a Christian because back 2016 he was sprinkled in a Catholic, after telling and showing from the Scripture that is not valid in God's eyes, since we have brother Michel Gnana the evangelist from India with he will contact him and continue to study with Him. I am continuing to study with Mickael Gayout he is on his fourth lesson, while in the states I will continue to study with and will regularly send him the courses.

The website as really active this past three months, in March we had 7,825 people visited our website from 103 countries , in April 7,118 people from 102 countries and in May 5,839 peoples from 105 countries. Please continue to pray for our sick of the congregation.

Rose and I are impatient to see you all. Until than may God bless you with good spiritual and physical health. Thank you for your help in so many ways and prayers.

In Him Roland
