2017

Pray for family and friends of Victor Ellison as we mourn his passing. He served God in India and at Sunset. Victor taught church history.

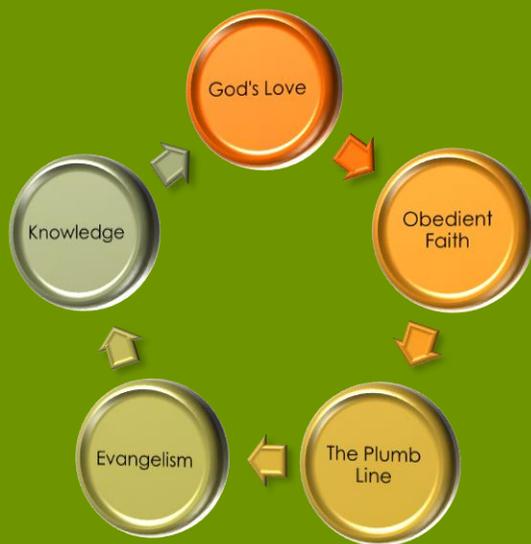

Kirk and I are working diligently to shed our excess weight, and be more healthy and vital to the ministry. We have a contract on our house in Brandon, and are searching for a place near Castleton.

The congregation is praying for an overabundance of bible studies, and lots of babies. Babies come with parents. A wise man once said he would rather "hear babies crying, than hear old men snoring on the back pews."

Matthew 28:18-20 And Jesus came and said to them, "All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age."

## Choices

### God's Will or Mine?

I was blessed to teach in South Burlington. Jeremiah 29:11 established the lesson. I eagerly expounded on the loving attributes of God and the blessings He promises us when we live obediently through the choices we make every day. I encouraged our Sisters to walk the plumb line and not swing on the pendulum. We seek to clasp opportunity at each moment; prospects to bless others while evangelistically sharing the message of the Bible. The light within is the indwelling Holy Spirit of God melded with our spirit. We are set upon the hills of life to shine the love of Jesus across the landscape that those living in darkness will come to the Light.
